COURSEWORK

Data Structure

Algorithm

OOPS

DBMS

Machine Learning

SKILLS

PROGRAMMING

Programming Language:

• Python • c++ • c

Web Development

• HTML • CSS • Bootstrap • Django •

Familiar:

JavaScript • Java

Other:

• Machine Learning • Github • Data

Structure • Algorithm

COMPETITIVE CODING

- Codechef : 1461 (2 star)
- Solve 100+ problem on gfg
- Solve 150+ problem on Leetcode

PROJECT

PORTFOLIO WEBSITE

Successfully created a **portfolio website** using Bootstrap and Django included my all mini project with a very good UI

Language and Tech Used

• HTML • CSS • Bootstrap • Django

MINI PROJECTS

Created several Mini project like

- Cipher text Converter
 - Weather app
 - Image Classification
 - Movie recommendation system
- using machine Learning and Python
- Language and Modules Used
- Python • Machine Learning • Streamlit

AWARDS

- 3354th Google Kick start Round G

- Hacktoberfest

Successfully submitted 5 pull requests and contributed to Open-Source Projects.

- Google Foo.bar

Got an Invitation from google foo.bar and complete all the Levels
